

#### REMARKS

Claims 1, 3-4 and 8-20 were pending. Claims 5-7 were previously withdrawn by the Examiner who has now rejoined these claims. Claims 5-7 have amended in view of the limitations of Claim 1 for which they depend upon. Claim 2 has been previously canceled. Claims 3 and 4 have been amended in this response. Claim 19 has been canceled in view of Claim 13. No new matter is believed to have been added by the amendments. This Amendment and Remarks document is submitted in response to said Office Action. Claims 1, 5-7 and 20 have been indicated by the Examiner as allowed.

The Examiner has noted that rejections and/or objections not reiterated from the previous Office actions have been withdrawn.

#### Rejections Under 35 U.S.C. § 112-Indefinite

The Examiner has rejected Claims 3-4 and 8-20 under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Specifically, the Examiner asserts that the phrase “rapidly cooling” is a relative term and not defined by the claims or the specification.

Solely to expedite prosecution and without acquiescing in the Examiner’s rejection, Applicants have amended Claims 3 and 4 as suggested by the Examiner. In view of these amendments Applicants respectfully request withdrawal of this rejection.

#### Closing Remarks

If it would be helpful to obtain favorable consideration of this case, the Examiner is encouraged to call and discuss this case with the undersigned.

This constitutes a request for any needed extension of time or excess claim fees and an authorization to charge all fees therefore to deposit account No. 19-1970, if not otherwise specifically requested. The undersigned hereby authorizes the charge of any fees created by the filing of this document or any deficiency of fees submitted herewith to be charged to deposit account No. 19-1970.

Respectfully submitted,

SHERIDAN ROSS P.C.
